

[widgetkit id=4]

We install/replace from simple concrete sidewalks, driveways, patios, garage slabs, entrances, and stairs to fine multi-colored concrete, exposed aggregate, stamped concrete, staining, topping & leveling, and overlay. We also do Ardex. You can choose from broom, sand, steel trowel, garage, exposed aggregate, sponge and rock salt finishes from our sample section.

We can provide you up to 3 18"x18" samples Free of Charge and delivered to your house.

### Davis Colors Charts

The image displays a technical color chart for concrete finishes. At the top, there is a header with the text "Color Chart" and "Concrete". Below this, there are several rows of color swatches, each with a corresponding label. The swatches are arranged in a grid, showing a variety of colors from earthy tones to more vibrant hues. Below the color swatches, there is a section titled "MIXING INSTRUCTIONS FOR CONCRETE" which contains detailed text regarding the application and mixing of the color. At the bottom left, there is a logo for "DAVIS COLORS" and some contact information.
